

New York State is requiring me to put your driver's license number on your return starting this year.
I will need the following information:

| Taxpayer Name | Identification Number | Date of Issue | Date of Expiration | Document Number ** |
|---------------|-----------------------|---------------|--------------------|--------------------|
| | | | | |
| Spouse Name | Identification Number | Date of Issue | Date of Expiration | Document Number ** |
| | | | | |

** This is a small 10 digit numbers/letters on the bottom right of your driver's license.
If your license was renewed recently, it will be on the back.
